Petitioner along with his wife was conducting a business in finance. Even though lot of deposits were received from the public, petitioner filed an insolvency petition as I.P.No.1/2006 and the matter is pending before Sub Court, Pathanamthitta. It is the case of the petitioner that the petitioners are being threatened and on instructions, Govt.Pleader submitted that depositors felt that they are cheated. In these circumstances, we only direct the police to see that lives of petitioner and family members are not endangered. This will not prevent the depositors from making any efforts to realise the amount due to them according to law. With the above observations this writ petition is disposed of.
